Thank you for trusting Aerosteam with your carpet needs.
Please read this list in preparation for our arrival:

1. Please pick up things around your desk such as waste baskets, filing boxes, chair mats, knickknacks and breakables.
2. Walk on carpet at your own risk until completely dry. Floors may be slippery when wet. Please advise all occupants of this hazard.
3. Please keep caution signs (provided) where carpet meets hard floor until completely dry.
4. Please, only come to the office if you absolutely have to as hoses to the cleaning vehicles may be obstructing some traffic areas.

Our Mission: To Provide our Clients the Most Outstanding Service Experience Ever!
